Why differ over names
Why differ over forms
We are all one and the same
You are embodiments Love divine
We are birds, God is wing
We can fly when we are one
We are all one and the same

Although I don't see You, You are there

Thank You, Lord for letting me believe in You
Thank You, Lord, I know wherever I am You are,
Wherever I am You are

Amazing Grace, how sweet the sound
That saved a soul like me
I once was lost, but now I am found
Was blind, but now I see
'Twas Grace that taught my heart to fear
And Grace my fears relieved
How precious did that Grace appear
The hour I first believed
When we've been there ten thousand years
Bright shining as the sun
We've no less days to sing God's praise
Than when we first begun
Through many trials, toils and snares
I have already come
'Twas Grace that led me safe thus far
And Grace will lead me on

Ananda is the ocean, Ananda is the ocean
Ananda, You are one with me
Once You are a tiny stream but now a mighty sea
O Bliss, I am one with Thee
Shanti is the ocean... O Peace, I am one with thee

For the beauty of the earth,
For the beauty of the skies,
For the love which from our birth
Over and around us lies,
[Chorus]:
Lord of all to Thee we raise
This our hymn of grateful praise
For the joys of human love
Brother, sister, parents, child,
Friends on earth and friends above
And all mercies tender, mild
[Chorus]
For God's omnipresent Love
Freely giv'n to you and me
Forming links throughout all worlds
Reaching out o'er land and see
[Chorus]

From a distance the world is blue and green-
and the snowcapped mountains white
From a distance the oceans meet the streams-
and the sunbeam dance with light
From a distance there is harmony and it echos through the land
It's the voice of hope, it's the voice of peace, it's the voice of every man
From a distance we all have enough and no one is in need.
From a distance there is no hate, no disease and no hungry mouths to feed
From a distance we are instruments playing in a common band.
Playing songs of hope, playing songs of peace, playing songs of every man
Sai is the voice of hope, Sai is the voice of peace,
Sai is the voice of love ever lasting (2X)
In this moment we must share our love and spread it through the land

Though I can't see you, I hear Your flute on the road
Please come wipe my tears and make me smile
I'm missing You Sai Baba, Where are You ?
Though I can't see You, I feel Your glow in my heart
Please come wipe my tears and make me smile

I feel You in my heart and I know You are there

Say something to me
I know You in my heart and I feel You are there
Say something to me
Come close so I can see You
I know that Your love is true
Your divine love surrounds me
I feel a sense of peace in me
The light shines within and I know You are there
Say something to me
You are all and You're everywhere
Say something to me

I have nothing to offer Thee for all things are Thine
I grieve not that I cannot give for nothing is mine, nothing is mine
Here I lay at Thy feet, O Lord my limbs, my life, my thoughts, and my speech
For they are Thine, for they are Thine

I have travelled so far from home, I have left loved ones behind
As I stand so sad and lonely, O my Lord, You come to my side
Wherever I go my Lord, I have you close to me
In my heart I hold to you, everywhere Your form I see
So wherever I go from home, lonely I never can be
With the Lord by my side, I shall live in harmony

I keep feeling Your Love in me over and over again (2X)
And it's sweeter and sweeter as the days go by
Oh what a Love between my Sai and I
My Sai and I, my Sai and I

I know, I know, I know that Baba is my Savior
I know, I know, I know that Baba is within me
I know, I know, I know that Baba will direct me
I know, I know, I know that Baba will protect me

I know You can hear me, O mighty Lord Shiva,
Grant me the boon of complete devotion
All I want to do is let You flow through,
Zoom in on Your rhythm and dance my way to heaven
Dance, dance, dance, sweet Lord, dance to the beat of my heart (Shiva!) (2X)
I know You can hear me, O mighty Lord Shiva,
Grant me the boon of complete detachment
All I want to do is let You flow through,
Zoom in on Your rhythm and dance my way to heaven
Dance, dance, dance, sweet Lord, dance to the beat of my heart (Shiva!) (2X)
I know You can hear me, O mighty Lord Shiva,
Grant me the boon of full Self-realization
All I want to do is let You flow through,
Zoom in on Your rhythm and dance my way to heaven
Dance, dance, dance, sweet Lord, dance to the beat of my heart (Shiva!) (2X)

I love the Lord and He loves me
I live my life for all to see
I sing this song of praise to Thee
I love the Lord and He loves me
The Love of God is for you and me
Open up your heart and you will see
The Lord is Love and Love is He
The Love of God is for you and me

So look around and try to see
The Lord in you, the Lord in me
For we are all but a part of Thee
Come, O my Lord, O come to me
Show me the sight that I long to see
Come, O my Lord, O come to me

I love you Lord, I love you
You and I are one
Shirdi Baba, Sri Sathya Sai, Narayana Sai Baba
Let us sing the name of Sai, let us praise the Lord
He has come on earth for us, he is our joy
I love you Lord, I love you
You and I are one
Shirdi Baba, Sri Sathya Sai, Narayana Sai Baba
Let us rejoice and follow Him, listen to His words
Do not ever cry for me, I am in your heart
I love you Lord, I love you
You and I are one
Shirdi Baba, Sri Sathya Sai, Narayana Sai Baba

I prayed to God to send us a Saviour
I prayed to Christ for His soon return
Out of my darkness He bloomed with great splendor
The Lord of Puttaparthi, the Yuga Avathaar (3X)
Om Sri Sathya Sai Baba, Om Sri Sathya Sai my Lord
There's only one God and He is omnipresent
There's only one Lord and He's present in all
Om Sri Sathya Sai Baba, Om Sri Sathya Sai my Lord
Om Sri Sathya Sai Baba, It's You that we adore

I see all you see - 'Cause I am you
I feel all you feel - 'Cause I am you
I know all you think - 'Cause I am you
I hear all you say - 'Cause I am you
I guide you each day - When you let Me do
I heed when you call - It's My Duty to
I give you the strength - To help you through
I do all of this - 'Cause I love you
I am Everything - And I am you
Your voice when you sing - That is Me too
Surrender to Me - I'll take care of you
I'll always be there - 'Cause I love you

I shall guard you, I shall guard you,
As the lid guards the eye
I shall be beside you, behind you, before you
(I shall be) inside and outside you,
Now and forever (words of Sathya Sai Baba)

[Chorus:]
I sing a song, I sing a song, I sing a song of love to You
A song of love, a song of love, a song of love we sing to You
I sing a song, a song of love, a song of love I sing to You
The flowers that I bring are my songs for You
My songs of love will call to You
[Chorus]
You know my heart just yearns for You,

You know my soul reaches out to You
[Chorus]

I the Lord of the sea and sky, I have heard My people cry
All who dwell in dark and sin, My hand will save
I who made the stars of night, I will make their darkness bright
Who will bear the light to them? Whom shall I send?

I walk a long a path, and I ask the question "Why?"
I strive to know the truth, I'm drawn to Bhagawaan Sathya Sai
I open my heart and a light begins to shine
I share this light with all and I know it is a Light divine
I sail a stormy sea, and I'm tossed by waves so high
Illusion is the sea; my body is the ship, not I
And when I see the Lord, He is brighter than the Sun
He showers me with love, and He softly says to me, "We're one."

I was born to love You, yes I know what I must do
I was born to love You and I do

[Chorus:]

Sai Ram, Sai Ram

O Your Name is all we need to chant

You were born because You love us, and I know You do

You were born to teach us what to do

May we live for You, yes, may we live for only You

Sai Ram, Sai Krishna, help us to

May we mergee in You, yes, may we merge in only You

Sai Baba, Sai Baba, only You

I will sing to the Glory, the Glory of God
I will sing to the Glory of Love of the Lord
Let us sing to the Glory, the Glory of God
Let us sing to the Glory of Love of the Lord
Everywhere we wander, anywhere we go
The Lord will guide us like the Shepherd of old
We love you, O Krishna, Nanak, Jesus, Buddha
Let us sing to the Glory of Sathya Sai Baba
Sathya Sai Baba, we love You, Sai Ram, (3X)
Sathya Sai Baba, Sai Ram, Sai Ram

If they say our eyes are beautiful, Lord
It's because, they are looking at You.
And when the whole world you know,
They'll feel the same way too
They can say, that we are all dreamers
Who've had a dream come true
And when they say our eyes are beautiful, Lord
It's because, they are looking at You.
If they say our eyes are beautiful, Lord
It's because, they are looking at You.
And our eyes are just the windows
For our feelings to come through
And by far You are more beautiful
Than anyone, we ever knew
So when they say our eyes are beautiful, Lord
It's because they are looking at You.

If you want your dream to be

Build it slowly and surely
Small beginnings, greater things
Heartfelt work grows purely
If you want to live life free
Take your time, go slowly
Do few things and do them well
Simple joys are Holy
Day by day, stone by stone
Build your secret slowly
Day by day, you'll grow too
You'll Heaven's Glory

In all that I say, In all that I do
In all of my feelings and all of my thoughts too
To the indwelling Lord I surrender
To Sai Baba the Lord of Love
Sai Baba, Sathya Sai Baba
Omnipresent, Lord of the Love Divine
When I love all life, In all things I see
Your leela's Baba, playing with me
Lord of all, Take me, Shape me
All of me I give to Thee

In every moment of my life, please be with me
In every single act of mine, be Thou my Guide
Baba Sai Baba
When I slip, When I fall, lend me a hand
When I stray far away, bring me back again
Baba Sai Baba
From the darkness into light Lead me Father
From the unreal into the Real
Baba Sai Baba (2x)

In parts of the world, He's known by other names
Some call Him Jehovah, Its still the same
In the East they say Krishna was His name
To others it was Buddha, Then Jesus came
Lord god You live within our heart
Because You love us, we can never part
We pray that we will always be
Lovers of others and Lovers of Thee.

In the altar in my home, I light a lamp for You
Deep in my heart, a light is burning too
Every waking day, I pray, I yearn for You
In my dreams, O my Lord, I will come to You
I will walk in my dreams, I will come to You
I will run in my dreams, I will come to You
I will fly in my dreams, I will come to You
When I wake, O my Lord, I will be with You
I will call, O my Lord, You will come to me
I will pray, O my Lord, You will come to me
I will sing, O my Lord, You will come to me
You will come, O my Lord, for I love Thee
Let me hear, O my Lord, divine Melody

In the dark of the night I saw a bright burning light before me
In the dark of my life I saw a bright burning light above me

Little did I know it was the Lord calling to me
Till I realized the Light, I wandered all alone
O my Lord, You are life! You are love! You are laughter!
O my Lord, You are sun and the moon and the stars
O my Lord, everything in this world is Your Glory
And I thank You, O my Lord, for showing me the Light
You are the light of my love! of my life! of my laughter!
You are the light of the sun and the moon and the stars
You are the light, O my Lord, to show man his glory
And I thank You, O my Lord, for coming to my life

In the early morning, in the silence
Hear eternity calling you.
The dawn is breaking, the sun is rising
Feel the light engulfing you
See the light, it's spreading everywhere
Filling you through and through
Feel the light, it's shining in your heart
And know that light is you.
In the evening sunset, see Sai Baba
The splendorous light of infinity.
He's the joyous light of love and compassion,
Feel His light enfolding you.
Sense His joy, it's glowing everywhere
Filling you through and through.
Sense His love, it's shining in your heart
And know that love is you.

In the heart of my heart is a lovely melody
Deep in my soul is a prayer just for Thee
Heart of my heart, deep in my soul
My Lord, a prayer for Thee!
Deep in my soul is a song just for Thee
Come, O my Lord, O my Lord, come to me
Heart of my heart, deep in my soul
My Lord, a song for Thee!
The songs that I sing are for all and for Thee
But deep in my heart, a divine melody
A song just for You, my Lord, just for You
A song You will sing to me
Krishna, You will sing to me

In the morning, in the morning, I call your name, O my Lord
I pray, O dear Lord, please guard and guide me all through the day, O my Lord
I will love my Mother, Father, Teacher and You, O my Lord
For I know you'll guard and guide me, all through my life, O my Lord
I tell the truth and do what's right, Lord with peace and love in my heart
And I know if I love and serve all, I'll win a place in your heart

In the morning of my life
I shall look to thee sunrise
At a moment in my life
When the day is new
And the blessing I shall ask
Is that God will grant me
To be brave, and strong, and true
And to fill the world with Love my whole life through
[Chorus:]

And to fill the world with Love
And to fill the world with Love
And to fill the world with Love my whole life through
In the evening of my life
I shall look to the sunset
At a moment in my life
When the night is due
And the question I shall ask
Only God can answer
Was I brave, strong, and true?
Did I fill the world with Love my whole life through?

[Chorus:]

Did I fill the world with Love?
Did I fill the world with Love my whole life through?

In my heart, O Lord, I see Your Face
Dear Lord, I see You every place
Oh my Lord, by Your Grace
I find Your love in every face
Oh my Lord, by Your Grace
I feel Your love in every place

[Same tune as 'Chandra Shekharaya Namah Om']

In my soul
A lotus grows
The gift of Love
That Sai bestows
Here's a song I sing for You
It's only for You that I sing
For the voice I raise is the gift from You
And the words and the melody too

[Refrain : In my soul]

Works of Love I perform for You
It is only for You I perform
For the works I do is the gift for You
And the fruit of my labor is too

[Refrain]

I can give my love to You
For Your love is the gift You gave me
And the flame that burns in the heart of hearts
Is the same flame that burns within me

[Refrain]

In the Name of the Lord we sing praises
Loving, almighty, and universal
In the name of the Lord we sing praises (1X)
Praising all creation and awe and wonder
Feeling His presence everywhere
He is truth and joy
He is peace and love

[Same tune as 'Bhola Natha Hare Jagadeesha']

In the ocean's rolling waves
Hear Him calling to you

In the golden leaves of fall
See Him beckoning to you
[Chorus:]
Hey Ram (Hey Ram)
Bhagawaan (Bhagawaan)
Sathya Sai Bhagawaan, Sai Krishna Bhagawaan
Can't you hear Him calling to you (1X)
Can't you see Him beckoning to you (2X)
Don't you know that He is you (3X)
When a cool breeze brushes your face
Feel Him calling to You
In the sweet smell of fresh rain
Sense Him beckoning to you

[Chorus]
When tears are in your eyes
Can't you hear Him crying for you
When happiness enters your heart
Can't you hear Him laughing for you
[Chorus]

In the sound of silence is the voice of God
In the laughter of children is the voice of God
In the song of prayer are the sounds of God
Listen well and hear the sounds of God
There are those who see but not the signs of God
See the work of man - not the work of God
Look around and recognize the Lord
The beauty of nature is the work of God
There are those who hear but not the voice of God
Hear the sounds of man - not the sounds of God
Listen well and hear the voice of God
The sounds of nature are the songs of God

In the stillness of the morning, I listen for your call, Bhagawaan
Your touch upon my shoulder, Your presence in my soul, Sai
But when I turn to greet you, no other do I see, Bhagawaan
For all my endless searching, I am the one I seek, Bhagawaan

Into His Presence, would I enter now
For I am surrounded by the Love of God
Let me be still, and listen to the Truth
Let every voice but God's be stilled in me
Let me remember, I am one with God
Peace to my brother, Who is one with me
Let me remember, what my purpose is
Let all the world, be blessed with peace through me

Is there life on this earth, without You, O my Lord?
Will man know the meaning of Love, without you, O my Lord?
Will we walk hand in hand, without You, O my Lord?
No, my Lord, without You, not without You.
Will the stars shine in the sky, without You, O my Lord?
Will the flowers bloom on earth, without You, O my Lord?
Will the blazing sun be there, without You, O my Lord?
No, my Lord, without You, not without You.
Can we reach for the stars, without You, O my Lord?
Can we realize our dreams, without You, O my Lord?
Can we see the glory of Life, without You, O my Lord?

No, my Lord, without You, not without You.
Will my life be so full, without You, O my Lord?
Will I know what is bliss, without You, O my Lord?
Will realize the Lord, without You, O my Lord?
No, my Lord, without You, not without You.

It only takes a little love to warm an aching heart
To lift a broken spirit, to take another's part
It only takes a little trust, a stranger to be, friend,
But oh, it makes a difference in the end.
It only takes a little love to smile a friendly smile,
To touch a grieving shoulder, to walk a second mile.
It only takes a little time, a kindness to extend,
But oh, it makes a difference in the end.
He taught us all about it, so many years ago,
For Love was always with Him wherever He would go.
He calls us now to follow, to take the time to care
Through all the gentle loving things we share.
Because it only takes a little love to calm another's fear,
To bear another's burden, to weep another's tear.
It only takes a little word to cheer a lonely friend,
But oh, it makes a difference in the end.
Oh, yes, it makes a world of difference in the end.

It's a Happy Happy Happy Day
It's a Holy Holy Holy Day
It's a Beautiful Beautiful Day
Happy Birthday Sai Baba (2x)
Listen to the Angels singing in the sky
Listen to the Ocean Waves dancing with Joy
Listen to the Birds singing in the Trees
All of them singing Happy Birthday
Happy Birthday Sai Baba (2x)

It's in every one of us to be wise
Find your heart, open up both your eyes
We can all know everything without ever asking why
It's in every one of us by and by
When your heart is full of love, it's a simple thing to do
Seek another heart and make it happy too
Joy we share with others is joy that's multiplied
It would be a perfect life if no one is left outside
Love is in every one of us to share with all
Cut ego out, stand up strong and tall
We all have so much to give without needing reasons why
Love's in every one of us, let's all try.

Jaya Kali Ma Kali Jaya Kali Ma, Kali Ma
Thou art My Lord in Mother Form
My blue jewel, Kali Ma
Jaya Kali Ma Kali Jaya Kali Ma, Kali Ma
Loving Your Aspect dissolves all fear
And to Your children You are so dear
My blue jewel, Kali Ma

My blue jewel, Kali Ma
I'm so weary, Kali Ma
My feet are worn, Kali Ma

And I'm longing, Kali Ma
For reunion, Kali Ma
With my blue jewel, Kali Ma
So take me home, Kali Ma
To my blue jewel, Kali Ma

Jaya Kali Ma Kali Jaya Kali Ma, Kali Ma
My blue jewel (3X)

[Chorus:]

Jesus, Jesus, Son of the Lord
Jesus, Jesus, dear Son of God
Let me call your Name, let man cry in shame
That the love You taught, my Lord, is lost again

[Chorus in Unison]

Love was Your Life, love was Your call
Love was the reason why You gave Your life, my Lord

[Chorus in Unison]

Love God and most of all, those who hate you, love them all
Love your neighbor as yourself was Your Call

[In Unison]

Joyful, joyful we adore Thee, God of Glory, Lord of Love;
Hearts unfold like flowers before Thee, opening to the sun above.
Melt the clouds of sin and sadness; drive the dark of doubt away;
Giver of immortal gladness, fill us with the light of day.
Thou art giving and forgiving, ever blessing, ever blest;
Well-spring of the joy of living, ocean depth of happy rest.
Thou our Father, Christ our brother, all who live in love are Thine
Teach us how to love each other, lift us to the joy divine.

Know that the Lord is sweetness itself
Everything is a sign of His grace
He is the nearest, He is the dearest
Born in the world of Sri Sathya Sai
Hold on to Him as close as you can
Knowing Him as an intimate friend

Let me be one with the Infinite Son, forever, forever, forever (3X)

Ku-wa-ke-Le-no-Le-no-Ma-O-te, Hi-a-no, Hi-a-no, Hi-a-no (3X)

[In Unison; A traditional American Indian song:]

Let the sun shine bright in the sky
Let the sun shine bright in your life
Let the darkness in your life disappear with the Light
Let the sun shine bright in your life
Call the Name of the Lord every day
Let the Light of God show the way
When in darkness you do fall, remember the Lord
Let the Light of God light your day

[In Unison]

Let there be peace on earth and let it begin with me
Let there be peace on earth, the peace that was meant to be
With God as our father, brothers all are we
Let me walk with my brother in perfect harmony
Let peace begin with me, let this be the moment now

With every step I take, let this be my solemn vow
To take each moment and live each moment in peace eternally
Let there be peace on earth and let it begin with me

Let your whole life be a song
Believe that God is everywhere at all times
And derive strength, comfort and joy
Singing in your heart - and in His presence - the glory of God
Let melody and harmony surge up from your hearts
And let all take delight in the love
That you express through that song

Light in me a flame to love You my Lord
To find you in each part
Where Your love has poured
Light in me a flame
Light in me a flame to know You my Lord
To hear Your voice within
To know that we're akin
Light in me a flame
Light in me a flame to trust You my Lord
To give to You my life
With all of its strife
Light in me a flame
Light in me a flame to serve You my Lord
To give to fellow friends
The kindness You send
Light in me a flame
Light in me a flame to worship You my Lord
To sing Your wondrous praise
Through all of my days
Light in me a flame

Like the sunlight, like the moonlight, always, always I am with you,
Like the ocean, like the river, always I am flowing toward you
Like the sky above, so is divine Love, always, always surrounding you,
Like the Earth so fair, like the birds of the air,
Always I am caring for you

[Same tune as 'Hare Rama Hare Rama']

Listen, listen, listen to my heart's song (2x)
I will never forget you, I will never forsake you
Hearken, hearken, hearken to the whisper of my soul (2x)
I will never forget you, I will never forsake you
Take me, take me, take me, my Lord in thy love (2x)
I will never forget you, I will never forsake you

Listen to my Heart Voice - waiting for my calling
Longing for my hearing - loving and endearing
Listen to my Heart Voice - never ever dying
Never ever judging - giving and forgiving
Love in My Heart - Love in My Soul
Light in My Heart - Light in my Soul
I am the Light - I am the Love
Listen to my Heart Voice - Never ever worried
Never ever hurried - Always kind and happy
Listen to my Heart Voice - Let it be my sole choice
Inner Light enfolds me - Divinity's within me

And said You would return one day.

Bestows His grace so we may know the bliss
Of sharing in this dance of His

You take our hearts and You fill our hands
We clasp Your feet to learn Your dance

And when I look at You, let me know it's alright
May I swim in the ocean of Thy divine Love
And remember Thy Grace from the heavens above

And know the bliss of Thy glorious Love
May the trees of the forest sing out Thy Name
And the people around me hear it the same
May I remember this life's divine Game
And allow me to feel it, be I healthy or lame
May I be grateful and thankful to Thee
And know that one day we'll be immersed in the sea
May I give to others, and allow them to be
And be sure that one day we'll all meet in Thee

May the love we're sharing spread its wings
Fly across the Earth and bring new joy
To every soul that is alive

Morning has broken, like the first dawning,
Blackbird has spoken, like the first bird.
Praise for the singing! Praise for the morning!
Praise for them springing, fresh from the Word.
Sweet the rain's re-w fall, sunlit from heaven,
Like the first dewfall, on the first grass.
Praise for the sweetness of the wet garden,
Sprung in completeness where His Feet pass.
Mine is the sunlight! Mine is the morning,
Born of the One Light Eden saw play!
Praise with elation, praise every morning
God's re-creation of the new day.

[Chorus]

Who am I? Who's behind these eyes?
If I am not this body, who am I?
Who am I? Who's the one inside?
If I am not my mind, then who am I?
The message is: to look within ourselves, for
truth to be revealed. We ask, we search, we pray
Who am I? Who's the "I" inside? If I am not my feelings, who am I?
Behind each thought, there always is the "I";
if I am not my thoughts, than who am I?
The message is: to look within ourselves, for truth to be revealed.
We ask, "Where does this 'I' come from?" (3X)
Who am I? Who's behind my mind? If I am not my ego, who am I?
Beyond this "I", who projects the "I"?
The answer comes by asking, "Who am I?"
We seek the source from which the mind springs.
We ask, we search, we pray. (2X)
But then it's not by doing, but only by being, that
the final discovery is made.

[Solo:]

I Am God, I am pure Light inside.
And I am Sathya Sai and He is I.

[Unison:]

I am you, truly you are I.
And you and I and Sai are one inside.

Who can still the stirring of a soul
That longs for something more
Only You my gentle Baba
Only You my Lord
Who replies to the voice I hear inside
That cries out 'who am I'
Only You all knowing Baba
Only You Sathya Sai
All my life I've spent in searching
Reaching for a star
My journey ends where I began it
Here within my heart
Who can turn illusion into truth
Desire to devotion
Only You my loving Baba
You're the only one
Only You my loving Baba
You and I are one.

Who can understand the Glory of God?

Who is in my temple?
Who is in my temple?
All the doors do open themselves
All the lamps do light themselves
Darkness like a dark bird, flies away
O, flies away

Who is the man all clothed in red
With a dome of hair upon His head?
His love extends as far as can be seen -
Who is that man loving me?
O, my Lord (2X)
Who is the man feeding the poor,
Teaching us these is something more?
He says service to people in need
Will open our hearts to ecstasy.
O, my Lord (2X)

Who is the man who dries our tears
And takes away all our fears?
Who is the man who always gives,
Teaching us by how he lives?

And showers blessings on all of man?
He says the new world has come, and there's
Only one religion, the religion of love.

Without praising His Name, there's no feeling of bliss
With no love and devotion, we never will be free
Without service to Him, no salvation can there be
Without serving mankind, no salvation can there be
Without singing to the Lord, there's no peace or happiness
We find union with Him When our minds are at rest
The best wisdom is seeing the Lord everywhere

The most righteous of deeds shows compassion and care
There is no one as near and as dear as the Lord
He is present in all and in all can be adored
[Same tune as 'Sai Bhajana Bina Sukha Shanti Nahi...']

Without Thee, Sai, there is no one,
Come, O Lord of my heart, Sai
Come, O Lord of my heart, O Sai Ram, come, O Lord of my heart
O beautiful Sai, don't disappoint me
Beloved Sai, don't ever leave me
Outside Your door I'm standing and waiting (2X)
Hear the cry of my soul, O Sai Ram, hear the cry of my soul
[Same tune as 'Therey Shiva Prabhu Koi Nahi He...']

Worshipping in your mind at the Guru's Feet
Gives you the blessing to make your life complete
Banisher of darkness, praise to You
Sathya Sai, our Lord ever true
Praise to Shiva, Praise to Shiva, Praise to Shiva
Sai Shiva, praise to You
Lord of Protection, Lord of Protection, Lord of
Protection, Lord Sai, praise to You
You are Om, Baba, You are Om, Baba, You are
Om, Baba, You are the Form of Om
[Alternative Singable Translation:]
Worship in your mind the Feet of the Guru
For crossing the ocean of life is hard to do
Remover of all darkness, praise to Thee
Shiva Sai, Lord of Light, Shiva Sai
Praise to You, Shiva, Praise to You, Shiva,
Praise to You, Shiva.
You light the pathway Home
Lord of the Mountain, Shiva,
Lord of the Mountain, Shiva,
Lord of the Mountain, Shiva,
You light the pathway Home
You are Om, Baba, You are Om, Baba,
You are Om, Baba, You are the Form of Om

Wouldn't it be nice
Doing only good
To practice what we preach
Each and every day
Sathya, Dharma, Prema
Shanti and Ahimsa
With the Lord's Divine Love
To help us on our way
Hindu, Buddhist, Sikh and Jain
Christian, Jew or Muslim
You'll get there just the same
Wouldn't it be nice
Doing what is right
To Love our fellow man
And help in any way
Yellow, black or white
We're all equal in His sight
With our Lord's Divine Love
To help us on our way

Prophets and sages
From beginning of time
Have come down to teach us
That we are all entwined
How blessed this human race
To be showered with His Grace
Because our Divine Lord
Is here on Earth today!

You are the center of my life, my Lord, You are the pillar of my faith
I open up my heart to You, and pray for Your Grace
I feel the pull of Your call, my Lord, but my senses are the gate
Help me open up the door, my Lord, to reach Your blissful state
I will love one and all, my Lord, I will help my fellow man
I'll lead a life of Truth, my Lord, I know that I can

You are the Lord of all religions
My Lord, My Sri Sathya Sai
With love You come, give us Your blessings
Om Sai Ram (2X)
You are the Lord of all creation
My Lord, my Sri Sathya Sai

Reside in our hearts, Sai Baba

Mother of the Universe, father of the Universe,
The light of mankind, Sai Baba

You are my Everything, You are my Lord, my loving Lord
[Same tune as 'Twameva Mata Cha Pita Twameva...']

You make my heart sing, and set each worldly
fear winging, Lord of Light, Lord of Light
Pure and bright, beyond sound and sight, Lord of
Light, Sai, Lord of Light

[Same tune as 'Alak Niranjana Bhava Bhaya Bhanjana Narayan...']

You walked into my life, O I thought that I was dreaming
With the love of the ages, You woke me from my sleep
You say that life is full of joy that we never have seen
O help us to rise and awake from our dreams
Help us to set aside all the fear we have of growing
Let us be a reflection Your pure, unceasing Love
And help our minds to be free of the suffering and pain
Let us spread Your Love like the gently falling rain
May we find joy and laughter
May we see the light
May we know ever after
Love in our sight
May our hearts fly to meet You
May our eyes see
May our love break its bondage
And make us free
